

REMARKS

In response to the Notice to File Corrected Application Papers, Applicants have amended pages 95 and 99-105 of the specification to delete the illustrations which are already part of the formal drawings.

Further, Applicants have amended claims 4 and 5 to correct typographical errors. Support for the amended claims is found at least at pages 41-42 of the as-filed specification. Upon entry of the amendments, claims 1-6 and 13-20 are pending in the application. Claims 1-6 and 13-20 are allowed. Applicants submit that the proposed amendments add no new matter, do not expand the scope of the claims as allowed, and are sufficiently disclosed in the instant specification.

Applicants respectfully request that the present amendments under 37 C.F.R. §1.312 be entered.

Respectfully submitted,
